## Phonics/Reading Math

This week we read the story called Plaidypus Lost. This story is about a little girl and a stuffed platypus that her Grandmother made her. She takes her "plaidypus" everywhere and keeps losing it. The vocabulary words we learned this week were; around, lost, platypus, found, market, and groceries. See if your child can tell you what they mean. We also reviewed the sight words and added dad and little. Continue to reinforce these words at home. This week we reviewed the letters Nn thru Rr. Next week, we will review the letters Ss thru Zz. Then we will focus on a letter of the week.

## Religion

This week we learned about Mary's Birthday which is September 8th. Next week, we will talk about caring for the Earth.

This week we worked on identifying two dimensional shapes. Next week we will continue this, but we will also begin sorting shapes.

## Homework

Homework will be sent home each Monday to help reinforce the skills we are learning at school. Please initial by the day after your child has done their homework for that night. These homework pages will be due each Friday.

## Safe Environment Training

## Safe Environment

Please remember that Safe Environment training is a requirement for every parent of a St. Mary student. You need to have completed this requirement in order to volunteer at our school in any capacity or to drive students anywhere. Directions for taking the quiz can be found at our school website. If you have any questions please call Mrs. Schmidt at 428-3459.

## Our Prayer for the Month: Glory Be

Glory Be to the Father, and to the Son, and to the Holy Spirit, As it was in the beginning, is now and ever shall be world without end. Amen.
